Graphic designer working across app UI, web, print-adjacent brand collateral, and campaign creative. Produced and directed 300+ multimedia assets for a wellness brand, designed an original character set and full visual identity for a children's brand, and built typography and visual systems used consistently across app, web, and marketing surfaces.

CORE COMPETENCIES

Visual identity & layout · Typography systems (variable/self-hosted fonts) · Illustration/iconography direction · Campaign & social creative · Adobe Photoshop & Illustrator · 3D animation · Digital interface design · Original character design

SELECTED WORK

Peace Life · Visual System, App + Web (2021–Present)

Directed a chakra-accented "luminous premium healing" palette and a Cormorant Garamond + Manrope typography system carried across the app and marketing site. Produced 300+ multimedia assets (graphics, video, campaigns) and the full App Store screenshot/launch asset set.

Once Upon a Princess · Character & Brand System (2026)

Designed ten original princess characters and a cohesive visual system: an arch-topped card motif, a gold "invitation" hairline device, and a crown mark reused across the logo, favicon, and closing call-to-action.

Organización Qinty · Editorial, Photography-Led Site (2026)

Designed a photography-led bilingual site with a hand-built CSS token system and self-hosted variable type (Fraunces + Instrument Sans), and a media-provenance system distinguishing real photography from labeled atmosphere art.

Nectar CBD · Packaging & Product Design (2019–2021)

Directed packaging and product design for a CBD company's retail and international product lines.
